A. INTRODUCTORY COMMENTS

Applicants appreciate the telephone call from Examiner Cunningham on September 19, 2005 requesting that Applicants file an amendment in view of the Decision by the Board of Patent Appeals and Interferences. Applicants agreed to file a response amending the claims to incorporate claims 4, 15, and 26. In addition, Applicants' representative and the Examiner discussed the disposition of objected to claims 7, 11, 18, 22, 29, and 33. The Examiner noted that any independent claims incorporating the objected to claims would require an additional search before allowance.

Responsive to the Decision on August 5, 2005 of the Board of Patent Appeals and Interferences, Applicants respectfully request allowance of the claims as amended and request reconsideration and reexamination of the present application in light of the following amendments and remarks.
